AFAG RAMAZANLI

Junior Web Developer

+994776253099 • afag.ramazanli01@gmail.com • https://afagra.github.io/my_portfolio/ • Baku

Summary

Motivated and detail-oriented aspiring Front-End Developer with foundational knowledge of HTML, CSS, and Bootstrap. Passionate about creating responsive and user-friendly web designs, demonstrated through a portfolio of several completed websites. Proficient in implementing modern web standards and eager to further develop technical expertise through hands-on experience in a dynamic internship environment. Strong problem-solving skills, quick to learn new tools, and committed to delivering high-quality results.
